

生徒会立会演説会 認証式

10 月 17 日（金）に生徒会立会演説会がありました。「学校を楽しくしたい」「困っている人を助けたい」「みんなの意見を聞いて要望をかなえたい」など自分の言葉でしっかりと目標を述べて、やる気がみなぎる演説が発表されました。一人ひとり自分がやりたいことを発表する様子を見て、2 年生の成長ぶりが感じられました。立候補者だけでなく応援者の皆さんも、聞いている人にわかりやすいように、内容を工夫し堂々と発表することができました。発表する態度・姿勢も素晴らしかったと思います。

22 日（水）には旧執行部と新執行部の引継ぎがありました。私自身もスライドを用いて生徒会執行部のこれまでの仕事を振り返ってみました。本当に多くの行事に参加し、仕事をしてくれました。そしてこの日のために、準備、運営をしてくれた選挙管理委員のみなさんにも感謝したいと思います。本校では役場から投票箱や台もお借りし、本格的な選挙を行っています。これは毎年感じるのですが大切な主権者教育の 1 つであると思っています。

新しい生徒会執行部と後期委員のみなさんの活躍と、それを支える生徒のみなさんの頑張りに期待したいと思います。これまで続けてきたことを引き継ぎながら、新しい事にも挑戦してよりよい木曽岬中学校にしていってください。

English to memorize

全校集会でもお知らせしましたが、10 月になりましたので今年も、英文を覚えて暗唱してもらう企画をロブ先生と考えました。中学生の脳は柔軟でこの時に覚えたことは大人になっても忘れないことが多いので前向きに取り組んでほしいと思います。今年も日常会話にありそうな話題を選びました。それは、入試では自分のことを紹介する英作文を書く問いが多く、例文を理解しておくことが役に立つと思ったからです。ロイロノートに課題文を送信しますので、ぜひ覚えて暗唱にきてください。クリアーしましたらロブ先生デザインのオリジナル記念バッジをお渡しします。期限は今年度卒業式、終業式までです。休み時間やあいている時間をつかってみなさんチャレンジしてください。お待ちしております。2, 3 年生は 2 個目のバッジ獲得チャレンジです。

13 School Trip, Day One May 11

Today was the first day of our school trip. All the third-year students went to Kyoto. I took the bullet train for the first time. It goes so fast, over 250 kilometers an hour! We went to see Kinkakuji after lunch. It's so cool because the walls are covered with gold! Everyone stayed at the same hotel. There were eight students in a room, and we slept in bunks. We had to turn off the lights at 10 p.m. We couldn't go to sleep because we were too excited.

Hello, my name is Miyu. I'm from Japan. My question is, where do you eat lunch?

I normally eat lunch at the cafeteria. The cafeteria is in the office. It is on the ground floor. The cafeteria has many options. I eat noodles a lot. I sometimes eat sandwiches. The cafeteria doesn't have pizza or hamburgers. The food is very cheap. My colleague does not eat in the cafeteria. She eats at her desk.

ブックバイキング

図書室では本を平置きにして選びやすくする、ブックバイキングを行っています。本はテーマ別に並んでいるので、とてもわかりやすく紹介されています。私は今週、新刊コーナーの「眠れないほどおもしろい 葛屋重三郎」の本を読みました。秋になると、寝る前に本を読みたくなります。読んだあと、内容や情景を思い返し、自分の思考が深まる感じがします。1 冊借りると 1 回くじがひけるので試しにやってみましたが、残念ながらはずれが出てしまいました。

昼休みは図書室にたくさんの人が来ていますが、この機会にぜひ、新しい本を手にとってみてください。

Student Council standing meeting Certification Ceremony

On Friday, October 17, the student council held a standing speech. The speech was full of motivation, with students stating their goals in their own words, such as "I want to make school fun," "I want to help those in need," "I want to listen to everyone's opinions and fulfill their requests," and so on. Seeing each and every one of them present what they want to do, I could feel how much the second-year students have grown. Not only the candidates but also their supporters were able to present their speeches in a dignified manner, making their speeches easy to understand for those who were listening. I think the attitude and posture of the presenters were also excellent. On Wednesday the 22nd, the old Student Council Executive Committee and the new Student Council Executive Committee took over. I myself used slides to look back on the work of the Student Council Executive Committee so far. They really did a great job and participated in many events. I would also like to thank the election committee members who prepared and managed this day. Our school also borrowed ballot boxes and stands from the town hall to conduct a full-scale election. I feel this is one of the important sovereignty education that we feel every year.

I look forward to the activities of the new Student Council Executive Committee and the latter term committee members, and to the hard work of the students who support them. I hope that you will continue what you have been doing so far, while challenging yourselves to do new things to make Kisosaki Junior High School a better place.

English to memorize

As I announced at the school assembly, Mr. Rab and I came up with a plan to have the students memorize and recite English sentences again this year in October. The brains of junior high school students are flexible, and many of the things they learn at this time will not be forgotten even as adults, so we hope that they will continue to work positively on this project. This year again, we chose a topic that could be found in everyday conversation. This is because many questions on the entrance exam will ask you to write an English composition introducing yourself, and I thought it would be useful for you to understand the example sentences. I will send you the assigned sentences in your LoiLo Notebook, so please memorize them and come to recite them. Upon successful completion, you will receive an original commemorative badge designed by Mr. Rab. The deadline is until the graduation ceremony and the end of the school year. Please take advantage of your breaks and free time to try your hand at the challenge. 2nd and 3rd graders are now challenging to get the second badge.

The Book Buffet

The library has a book buffet, where books are laid out flat to make it easier to choose. Books are arranged by theme and are presented in a very easy-to-understand manner. I read the book "Sleepless Interesting Juzaburo Tsutaya" in the new book section this week. In autumn, I feel like reading a book before going to bed. After reading a book, I recall the contents and scenes and feel that my thoughts are deepened. I tried it once, but unfortunately it turned out to be a lottery, but unfortunately I was not selected.
